ROOM DESCRIPTION:

How is 1Exec STREET different from other public room providers? We are a small recruiting firm conveniently located in downtown San Francisco (a block north of Union Square). Our offices are located on the 4th Floor of a new renovated earthquake safe building. Being a recruiting firm, we understand and respect your needs. You can access our equipment simply by calling in to reserve the room for any given time duration. Further, we will gladly help coordinate the OTHER side of the conference - connecting your candidates with the closest site available on their end. Not only will we cover scheduling the conference, we will also take responsibility for all technical aspects of the videoconference.
